3900 Willow Lake Blvd.
Memphis, TN 38118-7040

Dear Mr. Temple,

This letter certifies that the attached list of parts came from FedEx Express inventory, contract 97-0922. In addition, to the best of my knowledge, and based on the documentation reviewed at the time of delivery, and during the part's use, or storage, none of these parts were received from a U.S. Government Military source, nor have the parts been subjected to severe stress or heat (as in a major engine failure, incident or fire).

Sincerely,

A handwritten signature in black ink, appearing to read "David F. Bauman", with a long horizontal flourish extending to the right.
